Required Services & Availability

The **nbn** service, or Bundle is only available within the nbn™ (FTTP, FW, FTTB, FTTN, FTTC or HFC) ready for service area. Nbn™ availability can be checked using the coverage checker on the SpinTel website.

Broadband Speed

Broadband speeds vary due to a number of factors, including:

- Type of technology available at your address
- Your current nbn speed
- Network capacity
- Set up at your business
- Device connection (Wi-Fi vs Ethernet cable)
- The number of users online

The nbn service can never go faster than the maximum line speed available at your premises, so for FTTN/B/C customers we will confirm your actual speeds after connection.

Minimum Monthly Charges

The minimum monthly cost for the service is the sum of the monthly charge or charges (if combined with a Phone service). For example, if you were to select the

Plus 50 Internet plan and the '\$10.00' Phone plan, you would be charged \$59.95 + \$10.00 (\$69.95) per month.

Customer Service Guarantee

The \$0 connection charge is based on customers agreeing to waive their rights under the Customer Service Guarantee (CSG). This applies to customers who have bundled the nbn service with a telephone service. For more information, please contact SpinTel on 13 22 10.

Other Information

Monitoring Your Usage

You may view your usage by logging onto SpinTel's member portal My Account. Access My Account at: www.spintel.net.au/my-account/login

Carrier Grade Network Address Translation (CGNAT)

Your service may use CGNAT, unless you specifically request to opt out of CGNAT, which we may agree to at our discretion. You may opt out of CGNAT at a cost of \$5 per month, and a dynamic public IP address will be assigned to the service. You may request a static public IP address at a cost of \$11 per month.

Billing

You will be billed up-front for any hardware and activation charges. You will then be billed according to your billing cycle. The first bill you receive may include charges for any days remaining in the month until your billing cycle ends and will also include charges in advance for the next billing cycle. Your call and/or data usage is also based on your billing cycle and your first month may include proportional usage based on the remaining days in that billing cycle.

Payment methods include direct debit from a nominated savings and cheque account, or a credit card. No processing fee applies for a savings or cheque account where a BSB and account number are used.

You will receive your bill at least one week prior to any direct debits.

Terminating Your Service

You may terminate your service at any time by transferring to another service provider or by contacting the SpinTel customer service team. You will be billed till the end of your current billing cycle.

How to Contact SpinTel
